Hospital Veterans Feted at Banquet Last Week

Commemorating more than one and a half years of service in the hospital, certificates of appreciation were given 85 veteran workers at a banquet held at Mess Hall 32 Friday night. Names of professional staff members, who have served from the beginning were also applauded by more than 300 guests.

Although they are not connected with the hospital, credit also was given to the carpenter shop, boiler house, and painters.

Names of hospital workers now in Armed forces were presented in a moving speech by Dr. Masao Takeshita, optometrist.

The feature of the banquet was a presentation of certificates to 18 nurses aides, who have completed one year's training under Miss Elizabeth Vickers, Chief Nurse.

Local civic organizations also joined in the occasion. Dr. John Powell, who was chief speaker of the evening, expressed regret that the Health Committee of the Community Council was not participating in this expression of the gratitude of the community to the workers of the health service.

SERVICEMEN TO VISIT

Poston will get its share of servicemen this week, when a portion of over 300 Nisei on furlough from Camp Blanding, Fla. are expected to visit relatives and friends here.

Men from other camps are also expected.

POLICE DEPARTMENT IN UNIT I CHANGED

Now Known as "Watchman Crew"

The Unit I Police Department has been revised into a new unit called the Watchman's Crew with a new staff, announces Charles A. Harper, Chief of Internal Security. The new force will be under the supervision of E. C. Gorman and will operate on the same basis as the previous force had.

The new crew, which consists of 35 men, was organized by Mr. Harper and commenced work Monday. Their services will be available

to the community any time and the police station will remain open at all times so that the public may receive better protection.

At the time the new crew was organized there were only four men remaining on the police force—all officers having resigned, during a nine-month period.

The abrupt change was brought about by the fact that there were only a small number of police officers remaining, reports Mr. Harper.

INDUCTION CALL FOR MEN ARRIVES

OATHS TO BE TAKEN IN
PHOENIX BY 22 YOUTHS

Names of 22 boys, the initial list to arrive for induction slated in Phoenix on July 20, were received yesterday, according to James D. Crawford, local selective service representative.
